Tentative Interim Amendment

NFPA 1192
Standard on Recreational Vehicles
2008 Edition

Reference: 1.3.3
TIA 08-1
(SC 08-7-31/TIA Log #920)

Pursuant to Section 5 of the NFPA Regulations Governing Committee Projects, the National Fire Protection Association has issued the following Tentative Interim Amendment to NFPA 1192, *Standard on Recreational Vehicles*, 2008 edition. The TIA was processed by the Technical Committee on Recreational Vehicles, and was issued by the Standards Council on July 24, 2008, with an effective date of August 13, 2008.

A Tentative Interim Amendment is tentative because it has not been processed through the entire standards-making procedures. It is interim because it is effective only between editions of the standard. A TIA automatically becomes a proposal of the proponent for the next edition of the standard; as such, it then is subject to all of the procedures of the standards-making process.

1. Revise 1.3.3 to read as follows:

1.3.3 This standard shall apply to new recreational vehicles manufactured on or after September 1, ~~2005~~ 2008.

Issue Date: July 24, 2008

Effective Date: August 13, 2008
